

The TSCL Board of Trustee members visit Washington every quarter to personally meet with members of the U.S. House and Senate to consult with them about senior's issues including the Social Security Notch and cost-of-living adjustment, Medicare, drug importation, Alzheimer's research, and the Lock Box of Social Security Trust Funds.

The Senior Citizens League is a non-profit organization headquartered in Alexandria, Virginia, that strives to educate millions of seniors via direct mail, e-alerts, senior faxes, and publications including a monthly newsletter The Advisor. On a day-to-day basis, TSCL operations are run by Executive Director Shannon Benton, with legislative activities guided by TSCL Legislative Consultants David and Betty Funderburk and Legislative Director Jamie McMillen.

Under the recent leadership of Chairman Dan O'Connell and Vice Chairman Nash Mines, TSCL has made significant progress in representing its seniors. The TSCL legislative team (with the Board of Trustee members on a quarterly basis) has met with over two-thirds of the Members of Congress and their chief staff members during the past 3½ years.

In the 110th Congress, a new Notch Resolution was introduced in the Senate by Sen. NORM COLEMAN with Sen. RICHARD BURR as an original cosponsor. This was the first such Notch resolution in almost 5 years.

Notably more Members of the House have cosponsored Representative Ralph Hall's (Social Security) Notch Fairness Act, H.R. 368, than ever before, setting a new record. It is a tribute to the continuing dedication of all of the TSCL Board members and to the leadership of its Chairman Dan O'Connell. The fact that more than 117 Members of Congress have already in this session of Congress cosponsored H.R. 368 proves the legitimacy and premise of the organization's fight for Notch victims. It reflects the fact that Chairman O'Connell has been dedicated and persistent in his desire to see TSCL have legislative success on the issues important to seniors.

In addition to support for the Social Security Trust Funds Lock Box and opposition to Social Security funds going to those who worked in the U.S. as "illegals" (via the U.S.-Mexico Totalization Agreement), TSCL has pledged to help promote Alzheimer's research.

It is a pleasure for me to pay tribute to the leadership of the Senior Citizens League, in particular its Chairman Daniel O'Connell, whose vision and determination to help the most worthy and needy of our citizens, are commendable.

I also thank each of these board members for their military service to our country. May God richly bless them for their continued contributions to seniors, to their communities and to our great Nation.

Mr. STARK. Madam Speaker, I rise to pay tribute to Moína Shaiq, the 2008 Woman of Achievement award recipient designated by

California's Tenth Senate District. Moína is an exemplary community leader in the 13th Congressional District. She will receive her award on Saturday, April 5, 2008, from California State Senator Ellen Corbett.

Moína and her husband, Mohammed, have been residents of Fremont, CA, for the past 25 years and are the parents of four children. She has bachelor degrees in economics and psychology. Moína was a small business owner from 1991 to 1997. After the birth of her daughter, Samah, she chose to stay home and become more involved in community affairs. She has since been involved in a major way and has contributed tireless hours, making a positive difference in her community.

Numerous organizations continue to benefit from Moína's commitment, expertise and talents. She is a co-founder of the Muslim Support Network, established to improve the health and well-being of elders in the Muslim communities of Union City, Newark, and Fremont; serves as chair of the Fremont City Human Relations Commission; is a member of the Washington Hospital Foundation; and was a founder of the Muslim Spiritual Care Program for Kaiser Permanente.

Moína serves on the board of the Tri City Elder Coalition, coordinates the Community Ambassadors Program for Seniors and volunteers her service to the Palo Alto Medical Foundation's Citizens Advisory Committee, the Tri-City Interfaith Council, the Fremont Alliance for a Hate Free Community and the American Cancer Society.

I join the family, friends and admirers of Moína Shaiq who will gather on April 5 to commend her for her tireless volunteer efforts. The honor she will receive as the 2008 Woman of Achievement award is well deserved. She continues to set the standard for community service and is a model to follow.
